

Ealing Carer's Emergency Card

Peace of mind for carers

Many carers worry about what will happen if they become ill or an emergency arises and they cannot continue to provide care or support.

You can obtain a Carer's Emergency Card by completing a registration form and once the information has been recorded on the Social Care database a card, like the one shown above, will be sent to you.

If anything happens to you, Ealing Council will put your emergency support plan into place, so the care you normally provide is continued.

Where can I get a form?
