

RE Medical exemption certificate – important check

PLEASE check your card is still valid

You can call **0300 330 1341 option 3**

[NHS uk How do I apply for a Medical exemption certificate](#) < click this link for info

[Have to wait and listen to message for about 40 sec 1st though]

If it is not current – **you may receive a penalty charge notice**

If you need to re-new call in to surgery and ask them to give you a **FP92A form** – you fill in part of it and they will fill in the rest.

Hope this helps

[Please let me have the expiry date – I can then let you know when it next needs renewing]

Raj 😊
